RIEKO RIA 1
OBUNYALA BWEFU NOBURI KHU BUCHANE
BWE RIKANISA

AKANDORERWEMO

1. Sinikaryia akalolokha amalyi.
2. Sini bya bandi bakhola.
3. Rilakano Riyikha riyongone.

OBUBAKHA

1. Sinikaryia akalolokha amalyi. Buri khueka khukhoye khuve nende evikero byio bunyala. Marebokosi kee`nya kabe nende makalusio kafwanana khurula bundu ndala. Khuenya khuba nende bunyari bwokhulomaloma oburi boosi bunyala khuba nende khuemerakhokhuba bilayi. Ochakira khueka khuefwe nikhuba khu bunasaye, kharo khureba, “Obunyari bwefwe buriena mukhueka obuchane bwe rikanisa? Benekhonyisiriasi khumanya mbu marebo kanyola makalusio korere?” Bandi banabola buri mundu yarekhua khudola esiyenya esiri silayi khu makanisa. “Kholasa esiri silayi,” bandu abo babola. “Burimundu ari nende bunyala. Londa ingira yosiyosi eyikhola bilayi.” Okhupara khuo mundu sini maparo ka Nasaye mumakanisa. Eyindagano ibola mbu omundu khaba sanyala khukendia makulu kaye mwene (Yeremia 10:23). Eyingira yomundu ilolokha indayi mumoni chiye lakini bumaririkhi bwayo neyingira yokhufua (Chingado 14:12). Yesu yabola amalakokomundu kakera wakhalama bikhaya (Matayo 15:9). Kharo khu makhua ka makanisa okhuchagua khuomundu khuma obunyala. Mubuchane bwe yikanisa bandu bangi banabola mbu obuchane bwabwe niye bilayi. Abani babola mbu buchane bwabwe niye bulayi. Okupara khua bandu sini khurerefu. Si khunya khumanya bwedieri nikhureba esilolokha khuefwe bene.

2. Sini siriah bandi bakhola. Erisubira rindi ni mbu esindu siah abandu baangi bakhola mbu nisoih bwadieri. Ni mu balia abasubira mu buruki bwerikanisa mbu ni endio bbeecha okhubolelela mbu ni abandu baanga a basubira mu machubo akoh omba nii kha nga akha okhuchuba khuabwe okhukholwa. Omalakho mbu kano niko amasubira kandi akarari akobwadieri amapaaro koh obandu baaanngi kakabukhane nende okhupara khuah omundu mulla. Yesu yabola mbu abangi bachuba mb nibo abari abwene khane khaba, nikhandi yalyi yabakorwa (Matayo 7:22).

Obunabungi bwa abandu basubira mu mubeyi, malalkho mbu abadidi abalondanga obwadieri (Matayo 7:13, 14). Abana ba isirayeli bedakha om-

uruki mbu babe nga ebyalo biindi ebyali aambi ninabo. Omalakho mukhudakha okhufwanana nende ebialo biindi beevirira okhuenya khuah Nasaye khuburuki bwa abandu baaye (1 Samueli 8:5-7). Kharo erikanisa khaba sirikhoyerera okhuringala abandu baandi aambi ninayo mani yekombe okhuba nga ninabo. Erikani ni balia abalobolekhurula mu (2 Bakorito 6:17). Ni abandu baukhane (1 Pita 2:9). Obufwolwa bwosi omunyolwkhanaga khu makaniisa koosi khuicha abandu balli mukanisa benya okhufwanan nende abandi abali aambi ninabo. Bekomba obuchane nende eimera nga iria eyabandu ballonda abaandgi. Omalakho mbu ebindu bilyia ebyiambandu bakho kha sini esipimo siah Omwami.

3. Rilakano Riyiakha riongone. Obunyali mwongone mumakanisa nearilakano Rilakoano ryoakha. Khuma katikayisimu, botabo biokhusaya, omba mekesio khu bunyalakhumakanisa. Yesu arinende bunya khu khusialo nende mwikhulu (Matayo 28:18). Yaberesia abarumwa Mwoyo Mulafu khubongosia khubwadieri (Yokhana 16:13). Esio niye siandikwa mumandiko namorerefu aka Nasaye khukhuririsia khuburi mirimo milayi kwa bawonisibwa (2 Timoti 3:16,17). Bandu sibakhoyerwa khumeda omba okhumalakho khu mbosi ya Nasaye (Bufunuri 22:18, 19). Bosi beya babe khu mekesia koh Mwonia okhurachia kandi nako (2 Yokhana 9, 10). Bandu sibanyala khukalukhania omba khukhaya imbosi (Bagalatia 1:7-9) yeny bayimanye Erilakano Rikhareriuma bunyala khua wonisibwa. Yarisa gomuresi paka nga mwonia yecha, kharano bandu sibari asi womuresi (Bagalatia 3:24, 25). Erilakano riamalwayo khandi riao khomerwa khumusalaba (Bakolosayi 2:14). Bawonisibwa bari asi werilako riyiakhaerilakano Riyikha eria Mwami Yesu Omwonia (Baeburania 8:6-13). Khariono, Erilakanoa Rikhare rilako rio khukesia omba okhukonyeresia khaba sikhunekhunekhunekhonyera khu bunyala khuba rrioa bari mukanisa rero. Ameko khu buruki bwomukanisa inaria Erilakano Riyiakha ngama rilako riongone khurula khu Nasaya. Ebindu biandikirwe khu riekesio rino bikhoyre biringalwe nibirila mundagano khulole nibiribirio (M. Abarumwa 17:11). Manya buri mwekesia nende mekesio kaye nikarimbu karula khu bunyala bwe rikhua ria Nasaye (1 Yokhana 4:1). Rero sikhunyola khunyola obunyala bwanasaye khuba bwomundu lakini buri mumandiko. Siria esiluchiwi nende Nasaye musitabonikhandi Nasaye akanyire.khuri nende khuyerra nende khuikura nende erisubira erayinisibwa mu ndagano (Judi 3). “Khuanya khulomalome ngolwa khuanya khua Nasaye” (1 Pita 4:11), Nasaye sini mwandiki wokhurepara lakini nowo murembe (1 Bakorinito 14:33). Khubarria abaria obunyala bwa Nasaye bwe kesia ni bekesia kee eyindagano yekesia nee bakhaya khuekesia keyindagano yibola. Bandu

banasaye benya bekesiye keyindagano yekesia nende khunyira ayindagano enyira. Benya bachane bindu ngolwa indagani ibola nende khulanga bindu biyendagano ngeyindagano ilanga. Konya siribwa khukhua ria Nasaye ngama yong'one iyiri nende bunyala khu makanisa kosi, khukhusaba khusoma akalondakho khu buchane bwe rikanisa. Para muburi mandike akarula Mundagano. Nerikhua ria Nasaye khandi rikhua rio bwadieri (2 Timoti 2:15)

RIEKO RIAH 2 KHULWASI KHUEKE OBUCHANE BWEYIKANISA

AKADORERWEMO

1. Okhunokokha khurula khu bwadieri bwo buchane.
2. Okhuekingula khua abandu khunyasyia obwemeresi.
3. Ne amakanisa kabenyanga amabii nga abaruki ombo amabi nga abaruki baako.

OBUBAKHA

1. Okhunokokha khurula khu bwadieri bwo buchane. Indagano ilakula khurula khusubira khukua (1 Timoti 4:1). Abandi bana kalukhana nende khukhaya imbosi (Bagalatia 1:6-9). Omurumwa Paulo yakania abakhulundu beyikanisa khurula Efeso mbu baringale muno makondi kanasaye ababere khuringala (M. Abarumwa 20:28). Yababorera khurisia makondi (Erikanisa) ombo khuekia balala khunibo khulwa bekesia babeyi bicha khuicha. Abekia babeyi becha khuicha nende khuekikia beki khurula mukanisa eria Nasaye yakula nde machayi kaye (M. Abarumwa 20:28-30).

Khueka khurula khu sikano siye yikanisa khu miaka mimbikiri obulaku-li bworerera. Bandu bachakakhurula khu subira. Bekesia bobubeyi bachaka khuekasia eyingira yindi. Abakhulundu beyikanisa bachaka khuchiririsia rikanasa ngolwa Nasaye arenya. Bachaka obuchane bundi obu nyorekha khurula khu romani katholiki nende miaukhano kindi. Yari buchane bwe rikanisa eyari rinyasibwe.

Eyo yari ingira ndala yokhurekha eyindagano kari makhua ko buchane bwerikanisa. Abakhulundu bachaka khuruka Rikanisa okhira lala. “Abasidoti” bachaka khuruka abakhulundu. Bandu bachaka khukalukhania khunya khuyindagano nende oburuki mukanisa paka bila khu mundu olangwa mbu Popu yakhubirwu ikura. Khuma popu mundagano, abandu bachaka khurula khu subira.

Khuri nende sindu sibi sia bandu banyasia obuchane bobwadieri khu kanisa nibiula bikha biyokhukhaya, bachakira khu buruki. Sino niye sikera khueka oburuki mukanisa nokhuamana muno. Nikhumanya sino khunyala khurekha obwadieri nikhurekha makosa

2. Okhuekingula khua abandu khunyasyia obwemere. Okhuesunga ni okhunya weberetsye bukhongo. No`o khutemwa khukhongo khumwemeresi. Omwemeresi nari nene obunyala bwosibwosi, yekomba obunyala bukhira awowundi sino nyesikera yoburuki bweyikanisa busasikha bandu bakana khumiaka kiosi eyisunga ichasia buri mundu. Ng’ina omurumwa Jemusi nende joni yadakha banabaye khukhala ambi khu mukhono kwomwami Mubwami (Matayo 20:20-28). Abarumwa baringama bandu rero, bandu bosi bakhera obunyala. Khudakha obukhongo fwosi. Emilukha kiabandu sikinal khukalukhana.

Endi nyeyikera khusasia okhuchanya khua Nasaye khubuchane buchakhunyasikhrawo. Bandu becho khuchirira khungora mukanisa mukhunya oburuka. Abangi becho khuba mulala khukanisa nibalakwa ebisala abandu sibereresianga khunya khubwe khuba bakhosi mukanisa. Okhira, bangi becho khukonya obunyala okhunyola. Becho khusasyia okhuenya khua Nasaye ili okhuania abundu akhongo khubene. Okhukingoula khua bandu khusasia obuchane bweyikanisa. Khariano, okhuekakhuuno nokhuamakhulundu.

3. Emikhungano kinala okhuba emilai ombo emivi nga abaruki bakyio. Omurumwa Paulo yamanya sino nga olwa yalanga abaruki ba Efeso nababolela (M. Abarumwa 20:17-30). Yamanya mbu baluo abandu balondanga abaruki nibba abandu balayi ombo balonde abaruki babi mani babe abalokore babi . Sino niyo esikera Omwoyo mulafu kwakhola mbu ibewo oburingali ombo oburuki bube mu buri Rikanisa (M. Abarumwa 20:28).

Abaruki balai bakhola Erikanisa riah mani.

Omalakho mbu omuruki mulai khaba siyechanga khurula khu maani kefwe. Omuruki wah abandu baa Nasaye okhuyerwe yekesibwe mani okhoy-erwe aringalwe. Emirimo kyabwe nikyo emirimo milayi khusyialo.

Paulo yekesia Timoty mbu okhoye yekesieamakhua ka yekere okhurula khu Paulo khu bandu beesikwa abananyala okhuekyia abandu akene ako (2 Tim 2:2). Okhuekesia abandu abananyala okhuekyia abandi nikwo okuerera khulai. Khulwako nikhuo okhukera nikhurera okhuaka khua obuchane bwo buruki bwa makanisa kaa Omwonia.

RIEKO RIA 3 **OKHUCHAKA MAKHULUNDU KHU** **BUCHAN BWE RIKANISA**

AKADORERWEMO

1. Buri buchane bwenya bube nende baruki.
2. Buri buchane bube nende ababulonda.
3. Buri mukanda kwenya kube nende bwalala nende bandi.

OBUBAKHA

1. Buri buchane bwenya bube nende baruki. Yesu yari nende abari

ninaye mumikhungano abmulondanga khulwa bari makondi akanende mwayi (Matayo 9:36). Buri mukhungano kwe bisolo kuri nende mukhongo wako. Endi nolwa biri kata khumukhung'ano kwa bandu. Nasaye yalola mbu buri lwibulo lwenya muruki, kharo yakhola omusacha khuba omurwe (Baefeso 5:23). Bialo bienya bibe nende baruki, khandi nasaye aborere nbu khube nende omwami nende omuruki (1 Pita 2:13,14) omukhungano mulayi kwa bakhosi kokhola bilayi nikuri nende omuruki mukanisa khuri nende obulayi bwo buchane. Beri omukanda kwenya kube nende omuruki.

2. Buri buchane nende abbulonda. Yesu yabola buri inanga omba eyinyomba yakabukhana sinalayema yene (Matayo 12:25). Khandi nende omwemersi mulayi, buri mukanda kwanya khube nende bandu balayi. Okhulonderera nokhulayi khuria mundu ngama okhuemerera. Abandi khaba sibabukula ababaruka nga abamakhulundu, khuaba khuriye nende baruki balayi mukhuruka nukhuma omuruki?omukanda kwenya kwekesibwe ngolwa kwakha londa. AKADOLELEMO

1. Erikanaisa musaa.
2. Obulamba bwe rikanisa omwonia.
3. Omukhungano aasi.
4. Omukanda mudidi.

OBUBAKHA

1. Erikanaisa musa. Erikhua “rikanisa” riekesia “abalangirwe khurula munyari chiabandu.” siyekesia esmbakhe. Esiyo kikanyire eysando “rikanisa” mukhusandia “basacha na bakhasi” (M. Abarumwa 8:1-3). Balala khukanisa neyikanisa. Khabasini buri musacha noo mukhasi neyikanisa, baria bong’one “abalangirw khurularunyi wa bandu.” Eyindagano nibola erikhua “Eyikanisa” ilomalomera khu “balangirwe khurula mu mia miukhano kia bandu.” Sitivini yayalanga khubana ba israyeli abalangwa khurula Misiri musaa. Bandu bano balangwa khurula muburumwa nende mububoye, yabalanga “erikanisa musaa” (M. Abarumwa 7:38). Sino sirukhonga omanya erkhua “eyikanisa.” Noo bwadieri, abalangwa siyekesia Rilakano Riyiakha eyikanisa yo Mwonia. Babatisibwa nende musa khulwo khusiukha eyinyanja ya ranjayi asi weriresi (1 Bakorinto 10:1,2). KHUSI ESIFWANANI NESIAMAKHULUNDU MUKANISA?

AKADORERWEMO

1. Khulwa khuekesaia okhuba sifwanani.
2. Khulwa khunya sifwanani.
3. Khulwa amani ke sifwanani.

OBUBAKHA

1. Khulwa khuekesaia okhuba sifwanani. Omufwano nesifwanani syio huekesyia. Syiekesyis okhukhira okhulomaloma. Nomufwano mulayi okure-kekhue ili khulelekho. Eindagano ibola mbu Omwonya yarulekha nga esifwanani syiololelakho ili khunyole khulonda enyuma waye (1 Pita 2:21). Yesu yakenda imberi wefwe okhurwekesyia imera yakhumenyeramu. Nga olwakhunyala okhuchia ni ingira inyangu yokhuelewa khubera amalyile okhuruba ingira indayi. Sino nisyio omufwano okwa syiekesyia. Imbosi “khuekopa” nende imbosi “khulonda” (biosi byekesyia sifwanani) nikhandi nasilala. Khuosi khu-khoye khumanye imbosi mbu khuekopa nisina mwana byiasara nari khusiro nakussyia mberi anecha nende osyiokhulolakho khumali yaye. Khandi an-

echa nende osyokhulolakho silayi ili anyola okhuserera abakuli bakule. Khaba sanayika abakulyi omala kho anabaserera khu imera ya omufwano kwa imai yaye. Imbosi ndala eyoh ni sawasawa nende obulamu bwo mulokole. Paka abe omundu wekesya osifwanani silayi esiserera abandu bandi okhuicha mukanisa khu kristo. Esifwanani sinyala khuba esilayi omiba esibi. Eyindagano iola mbu eyinanga yakhola mabi eya Sodoma nende Gomora yekesyia esifwanani silai muno khuefwe (Yuda 7). Abo nesifwanani sivi. Abo nesifwanani syia Nasaye nakalusya obakholyi baa amavi. Abana ba isiraeli barari besikwa musaa nomufwano mulai muno khuefwe rero (1 Bakori 10:6, 11). Khuako mani esifwanani, ni omufwano, esiokhulolelakho, mbu esyia Nasaye adakha efwe khukhole ona khurakhola. Mani bulyi mulokole ni omufwano mulayi khandi omubi khuwas-yie. Khubea achiririra okhuekesyi abasyi okhukhola khui omiba okhuvi. Okhuba esifwanani nesindu syia makhulundu muno mukanisa khubera omundu anyala okhukakho khandi okhulonda.

2. Khulwa khunya sifwanani. Esifwanani silayi siosi nesilayi mukanisa khulwo khuba sosi sienyekhana. Nasaye yaruma Mwana wayw khulwa Sialo sienya muburambi khandi mubwichufu khuba sifwanani. Nasayeyeri nende sifune nomundu khulwe miaka mingi, lakini Omwonia niyechcha bandu bamanya nende khuelewa Nasaye bilayi. Esialo siluchu bekesia bangiu nende baruki bangi lakini yumao owari ngama Yesu oworeresia okhunya khuaye. Esialo sienya khueka nende khurira. Okhunya ngokhuo khusiriwo rero. Bandu benya khulola mekesio ka Yesu akakhola nende abamulonda. Esialo simirir-we nedse mekesyo kaburi sifwanani. Lakini khunyola omwekesia omenyere nende meksio kaye nebiamani. Omwekesia Timoti yaborerwa khuemanya khumekesia khuwonia mwene nende khubarria abamurira (1 Timoti. 4:16). Khuri nende bandu mukanisa abanya khuba baruki. Khuri nende badidi abanya esimanyiro. Benya makhongo mukanisa nende rwanyi. 1 Timoti 4:12 yibola Timotiyenya abe khuba sifwanani “khu” berisubira. Olunyi riri luno mu “Rivised Version” yibola abe esifwanani “khu” khubasubire. Khuri nende khunya okhunya mbu omuruki khuba esifwanani “khu” kanisa yene nende “khu” khukanisa rwanyi. Esialo sienya ebifwananai bilayi. Eyikanisa yenza bifwananai bilayi bio khulonda. Esiesi fwanani nesilayi khulwa sienya khulwa makhulundu.

3. Khulwa amani ke sifwanani. Ebifwanani bilayi bwenyikhana khulwa mani kefifwanani. Pauloo yabola mumakuwa kaye nende mumayalo kaye mbu khaba siyakholanga khulwobunyala bwa omwana wa omundu, omalak-ho yali “yekesyia omunyala bwa Omwoyo” (1 Bakori 2:4). Eyifuma ya Paulo yali ikhongo khubera yekesyiang omufwano mulai. Omundu anyala okhuya-

la erisomo rikhongo muno oamalakho ata narabolelekha imbosi. Eindagano siibolakaho esindu syia abeli yabola. omalakho mbu niyakkhafwa, yecha yalomoma khubikhole byiaye (Bahibu 11:4). Enoka, Abrahamu, nende Joshua khaba sibari abalomalomi. Omalakho mu bali abandu bebikhole okhkhira amakuwa. Orevilyira amani kaa omufwano.

Erikanisa ryia omwami ririnende aberwachi baangi riberyio, ababola mbu khaba sonyala okhukhola endi. Imera yino yaburuki khaba sini yino. Omalakho mbu omuruki wamani ni wulyia okhira alala nende amakhole kaye. Khandi olondwa khulwa bikhole byiaye bilayi. Yali nende erira rilayi alala nende ebikhole bilayi. Ebikhole byiaye nebilayi okhurula mikanisa okhula erwanyi werikanisa. Ringalakho nga obulamu bwa yesu omwoonia nga bwakalukhanya esyialo! Okhula khu khumenya khua ekhumi nende Tisa abandu inambaikhongo muno yekomba muno imenye nga niye. Mani akerere esyialo syiosi sikhole. Abasikari alala nende abajasi boosi bakho go baberewo nikhandi bebirirwe, omalakho mbu, ifuma ya kristo imeda okhukhula. Siumao esiri nende amani akakhira ifuma ya omwonyia okhukasyia musyialo. Mani esifwanani nisyiamakhulundu okhukhira amakuwa, khulwa mani kako.

OBUBAKHA

1. Omwonia. Eyindagano yekesia bulayi bwo khuba sifwanani mukhukesia buri sisala nende buri mulakhunibo akhoyere nge sifwanani abawonisibwa benya banyasiye sialo omba owasiabwe oba okhuyika omba isinga. Okhunyasia khuabwe nikhubifwanani biabwe yesu yakhola siosi sio mwonisibwe yenza siekhole. Yachaka okhola nendekhuekesia (M. Abarumwa 1:1). Yarurekhera esifwanani ili khuonde makulu kaye (1 Pita 2:21). Neye Kukhani Mukhongoonyala khudirwa nde khuanyirisibwa khumibiri kiefwe. Yadolwa yatemwa ngama lakini yawoma imbi (Baebrania 4:15).yesu ni nomwami mwayi oringansia makondi kaye orakerusia (1 Pita 5:4). Obwayi bwa Yesu bamanya ambi nende maondi kaye. 2. Bakhulundu nende basidoti. Basidoti ni abakhosi mukanisa. Imbosi musidoti yekesyia “Omukhosi”. Atakaryio abakristo boosi nabakhosi. Omalakho mbu abasidoto bano ni b alyia abekesibwe okhukhonya erikanisa. Muri kanisa ryia Jerusalemu abandu becha benyikhana okhukhola khu mesa omba okhukhola nga abalyingali banyala okhukhonya okhuenya khuerikanisa. Mani emirimo kino kyiabechanwa khubasidoti bba mbberi mukanisa eryia jerusalem (M. Abarumwa 6:1-6). Okhukwanirwa khua Abasidoti khunya khube abandu ba esirimbwa nende emima. nabandu bakhoye babe nende emima khubera emirimo kyiabwenende obulamu (1 Timoti 3:8-13). Bari nende obweyango bwabwe khumirimo. Ata nga olwa bakhulundu bari. Sini nisyio esifune “bumrimo kyia abasidoti” (1 Timoti 3:13). Abakhulundu alala nende abasidoti nibo abari nende obweyango bwemirimo mukanisa. Mani obweyango bundi buno alala nende buno obwemyiukhano kireranga khaba buuma mumamandiko. Mubafilipo 1:1, Paulo yandika khukanisa ryia filipino nende abasidootti baryi nende abakhulundu baryio. Abakhulundu nende Abasidoti.

3. Bayingilisiti. Esifwanani sindi siamakhulundu omukhungano yanya bayali Bayinjilisiti balangirwa. “Baesifwanani”(1 Timoti 4:12) bari de khuba ebifwanani khusialo ngama biri khubulamu, mubukheri , mu Mwoyo, mu subira mubulalal. Pailo yaborere timoti khuemanya nende khuriekesio omba rieko (I Timoti 4:16). Mu khukhunia sifwanani khumakesio, mbu anyo khu-

1. Khasibalawumibwa. “Khuralawumibwa” ekiri “milukha kiafwe.” Uria oralawumibwa khugama khura nyekwa omba khusolana. Sino sisyeke-sia khuraba wechimbi, khulwa birimundu newechimbi (1 Joni 1:8). Omalakho, yekesia mbu omu ndu khumenya nende otema khukhira chimbi. Noo mwangu woo khukalukhana, khuekanira nend khusaya bikha biyakhola makosa. Khungira yino khasanyala khusolana khungira khu milukha. Zakaria nende elizabethi bari baralawumibwa barinda rilako (Luka 1:6). Bafwiri benya bakhonywe nende eyikanisa paka babe baralawumibwa (1 Timoti 5:7). Saulo yari oralawumibwa khu lako ria Musa (Bafliipo 3:6). Abawowoninisibwa baslagirwa khuba aabaralawumibwa khulwo khuekhania kho khui-cha khuo Mwonia (1 Batesolonika 5:23; 2 Pita 3:14). Khulwa chinyiriri chia khuluchi binyarikhana khuba oralawumibwa. Bazee benya babe bario omba okhira okhunyekwa mumilukha.

2. Omusacha womusacha mulala. Okhunya khuno khuekesia bindu bibiri; musacha paka akeke, khulwesio yena abe omundu womukhasi mulala. Orari musumba omba omusatcha wabakhatsi anyala khuba muzee. Khukanoo, atakhubandi, khulw nesifwananni khu kanisa yosi (1 Pita 5:3). Buri musatch yena abe nende omukhatsi waye, khandi buri omukhatsi abe nende musat-chi waye (1 Bakorinto 7:2). Nikari mbu Omusatcha omba omukhatsi anakeka omundu wundi nee owamber uria asiri mulamu, noo muyirani (Barumi 7:1-3). Yesu yabola mbu no khuenya kkhua Nasaye khuchakira machaka, atakario bakanyira khukalukhania asi werilako ria Musa khulwa bwomu bwemioyo kienywe (Matayo 19:3-9). Muzze abe omusatcha womukhatsi mulala.

3. Omwemanya. Okhuba omwemanya no omundu okhuba omuringalifu. Omurindi we siroh obechanga omwemanya. Nomuringalifu khubikha byiosi nende oburende bwosi. Wochiman barindaga esida syioa Jerusalem babolelwa okhuekesia abandu khu sindu syiosi syiosi esinyala syiecha omba babanjwe amabanga kabwe (Ezekieli 3:17-19). Bahiburania 13:17 ibola mbu bazee baringalalnga abundu we emyioyo kyiabalam i nga balyia abanabe-chana obubakha. Khuako abaokore bosi bakhoye babe abalingalifu khubera Owamavi esikhieno siduduma nga isimba ikonya uryia owokhumumira (1 Pita 5:8). Kharo abemeresi bakhore bamanye emirimo kyiabwe baringale

amakondi.

4. Orayumayumba. Okhuba ora rerengerekha khumakesi, omanya es-ibi nende wyukhuchuba. Owawonisibwa akhoyerwa khuba omwaywe musialo siamatemo (Tito 2:12). Okhuyala rikhua rio bwandieri nende khuba mway-we (M. Abarumwa 26:25). Sikhunya khukone lakini khulole nende bway-we(1 Batesolonika 5:6). Amakesi kefwe knya kaboyewe nende bwaywe (1 Pita 1:13). Khuri nende khuri garira obulamu bwabawonisibwa (1 Pita 4:7; 5:8) muze arabarirwa mubaria abarari baywe bwadieri bwo bulamu. Abe omundu owamakesi kakhola, opara, khandi ochuba khumilukha.

5. Wemima milayi. Okhukhoyerwa okhuba mzee amundu okhoye abe omundu we milukha milayi,khandi wobuchane. Omurumwa paoulo yabechana omufwano mulaku okukwanirwa mbu buri mundiu owelanga omulokole okhoye olonde (1 Batesolonika 2:10; 2 Batesolonika 3:7). Eimera yakhumenyeremu ikhoye yekesyia emima milayi khubalyia abaralokokha, ili khunyole okhubaserera okhukanya Yesu (1 Pita 2:12). Mani obulamu bwa mzee bukhoye bube obutiri khadi nga omufwano mulai khu balyia bosi abamumanyire.

3. Orang’wa amalwa.
4. Kha so wo busolo.

5. Orali owokhuenyera ombo erikhue ryoikhuekomba.
6. Omwesimirisyia.

OBUBAKHA

1. Abanya okhukaribisha abandu. Erieko ryia okhuyera khua bazee ryienya okhueka khukari. Khubera buri imbosi ikhoye immanyikhe bilayi. Emilukha kino nikyio nga ekyia buri mulokore okhoye abe ninakyio. Ni emididi muno ekikabukhane nende kirya ekyio mundu okhoye abe nadekhisie kikabukhane nende omulokore mwangafu. Nee buri milukha buri mukristo akhoye abe ninakyio. Mulala khu nikyio ni okhuba omundu okaribisyi. Tito 1:8 ibolambu akhoye abe okaribisha , sino syiekesyia mbu okhoye akaribishe buri mbundu oba nadakha obukhonyi. Sino syiekesyia obukheri bwa abalokore khadi nibakabana esyiokhuryia nende eyinyumba. Okhukaribisha khuno khukhoye khuekesibwe khu buri mundu, omalakho mbu munomuno khu balyia-abalokokha (Bagala 6:10). Mubarumi 12:13 ibola mbu “Nokabira okhuenya khua abalokole khandi nakaribisha abandu”. Baiburaniya 13:2 ibola mbu oraba omuri okhukaribisha abandu khubera abandi bakhola bario bakaribisha malaika (Machaka 18:1-8). Mu Yohanna 3:17 yekesia “wulyia ori nende esilayi musyialo muno, nalola owasyie awuma nee afunikha ibakuli yobukhonyi khuniye, abechana obukheri bwa Nasaye khiniye?” 1 Pita 4:9 ibola mbu mukaribishe abaseng’we awumawo okhulola vivi khario mzee okhoye abe okaribisha abandu.

2. Onyala okhuekesyia. Erkhua “onyala” yekesia “owurire kuekesia nende khuekomba,” muzee akhoyerwa omundu wurire khekesia Indagano. Ino yicha khurula khueka makini, okhuchirira anonano bila khuma, khndi orikho nende makaesi mukhuekesia. Mwinjilisiti akhoyerwa khumanya khuekesia (2 Timoti 2:24). Obwonisibwa nibwokhuekesianiamukanisa. Yesu yabola khuesia bialo biosi, kubabatisia, khandi khubekesia (Matayo 28:19, 20). Yesu yabola mbu Nasaye asekanga ambi nabandu khu mwonia mukhurira nende khueka. (Yohanna 6:44, 45), paulo yaborera Timoti mbu yekesiae bindu ebia yekere khuekesia khubandu borerefu abanekesia abandi bosi (2 Timoti 2:2). Erikana riamberi riadonganga nireikesia nende khuyala Yesu Omwonia (M. Abarumwa 5:42). Abalokore Baeburania bari bekesibwe kho , lakinia benya bandi bosi babekesie okhunya khue rikhua Nasaye (Baeburania 5:12). Mandiko kano kekesia obulayi bwokhueklesia nende bekesia balayi Mukanisa. Muzee yenza be siifwanani silayi khubandi lwo khuba omulayi khandi onyala khuesia erikua ria Nasaye. Paka abe onyal khurisia makondi (M. Abarumwa 20:28). Anasabwa okhira mabi nende obudodobanu mukani-

sa mukhuekitsia khuamani. Okhula amanye khuekesia.

3. Orang'wa amalwa. Yino yekzia mbu Muzee aranyorekhana namalwa omba siosisiosi esimukoba mukhungwa. Paulo yabola khaba sanagengwa si wamani kosikosi (1 Bakorinto 6:12). Yabola abamesi sibananyola obulamu Mubwami bwa Nasaye (1 Bakorinto 6:10). Okhunywa khuri nende buamanani, esisa, khuelarikhira, khurelewana, owamakhua, ebidonda bilae sikera nende khuanya chimon (Chingado 23:21, 29-35). Amalwa akakenda kene khandi kaluma ngama injukha khandi iringama eridomo rie chinjukha. Kano namalwa kangama khumera. Malwa kekhonyerwe bilayi khumesa ya Nasaye (Matayo 26:29). Inyala khuekhonyerwa khu misala (1 Timoti 5:23). Lakini mwalwa kakhu koba mukhumera neyimbi. Bazee benya benya babe sifwanani khukanisa sini mukhunga malwa.

4. Kha so wo busolo. Mzee khaba sino omundu osolanyia abandu bandi. Anyala okhukemyia abandi nendeokhuekwasa. Omukristo khaba sakhoyere orangane yosiyosi. Yesu yerusyia abyaiyo mu hekalu nende okhukhuba omulosi kwon'one (Yokhana 2:15). Abebusi bakhokhe bakolole abana babwe nende okhulomaloma saa (Chingado 13:24). Omalakho mbu bazee nabo bekhonyeranga obunyala bwabwe ebibi okhikhira nga bwenyikhana. Adabu yilolokha yekholanga nende obwami (Barumi 13:3, 4) omalakho mbu aburuki bwa kristo khaba sibarukwa nene olwo (Matayo 26:51, 52). ibosi ya nasaye ikhoye ibe eyamani okhukhira oluganga lulolokha (Bahi 4:12). Okhukalukhanisiryia adui erirama rindi binyala okhukhuya aduyi wefwe okhukhira nga emyiero (Matayo 5:39) khario bazee bakhoye babe esyiokhulolelakho nende abakristo bandi nibakhaya emyiero.

5. Orali owokhuenyera omba erikhue ryiokhuekomba. Mzee khaba sakhoye abe oweririma. Owerikhue ryiokhusyialo sino.omundu weririma khaba saparanga mbu obulamu bwaye buri nende esindu sikhongo khusyialo khuno (Luka 12:15). Yebikhira akiba yae nee buumao obuyinda akulu wa Nasaye (Luka 12:21). Nasaye yabola mbu khab swakhaholela Nasaye nende amapesa khusikha silala (Matayo 6:24). Omundu weririma khaba sino mundu olama evilonge (Bakol 3:5). Nee khaba sibanalola erikulu (1 Bakori 6:9, 10). Bakhoye bageg'we erwanyi werikanisa (1 Bakori 5:11). Khuako abalokore khaba sibakhabanga obuyinda. Eifuniikhongo ni obunasaye. Okhuba nende abwokhuria alala nende echingubo biba biyera. Bakhoye babe are nende ifuni yokhusyialo eikeranga abandu nibarula khubwadieri. Bamanyile mbu obukheri bwa amapesa nikyio emisi khyia buri amavi khusyialo nikhandi kakeranga abandu nibarula khubwandieri nikhandi nibeyingisyia mu buri itaabu yoosi (1 Timoti 6:6-10). Khukoesirabo syia omwana wa nasaye khuri

mwiklu khaba sini khusyialo khuno (Matayo 5:12). Akhoye yetenge nende obwimani alala nende obukheri bwokhueyenyer. Bazee bakhoye babe abandu bageng'ereo omusingi kwamani kwokhurakhera amapesa nende obukheri bwa ebindu bwo khusyialo sino. Orali owokhuenyer omba erikhue ryiokhukombala.

6. Omwesimirisyia. Muzee akhoyerwa khaba omwesimirisia. Okhuyera abe omundu opara khandi mulayi. Akangaa omusigo khuma ririma. Orajung'a khandi orajong'ia. Ari tayari khandi mundu mugumu. Obwesimirisia benya bumendwe khubiri owawonisibwa (2 Pita 1:6). Okhutema khuba nerisubira no bwesimirisia (Yakobo 1:3). Okhukingirana nemiirimo kiamani khuba nde bwesikwa. Muzee yenza aba mwesimirisia ili abe onyala khujing'ia abandi bikha biechishinda. Khulwa noomundu mwesimirisia khandi opara, mulala khukanisa ategemea wundi khu khulwa khulwa matemo. AKADORERERUEMO

1. Sino mwangu wokhulwana (sini weririma).
2. Owemerera bilayi inyumba yaye.

3. Ori nende bana basubira.
4. Ave owikhale mukanisa.
5. Okhuania maakhua karuo.
6. Omukhosi wa Nasaye.

OBUBAKAHA

1. Sino mwangu wokhulwana (sini weririma). 1 Timiti 3:3 yibola mbu muzee baraba bandu beririma. Tito 1:7 yibola mbu aba omusacha ora solana. Omundu weruka khurima. Khasolomaloma ne~erima. Omundu womurembe khandi noomundrera murmbe. Yesu yeberesia chimbavasi khubarria abangama murembe (Matayo 5:9). Owawonisibwa amenye noo murembe nende buri mundu (Barumi 12:18). Bari nende makeesi kobunasaye nende butulifu nende sisa. Baraka mumurembe amatunda ko bwokhaki. Bagama omurembe (Yakobo 3:17, 18). Khulagirwa: “obuchuni bwefu bwosi , nenderirima, bwalaba, obusola, okhulomaloma babi, karule mwewe namabi kosi:khndi khu-be baburerefu khuwasiefu, mwoyo mukosia, khurekhera abasiefwe, ngama Nasaye yosi khumwonia yarurekhere” (Baefeso 4:31, 32). Khuborerwa khu-ba bangu khurira, musi mukhulomaloma musiro khuririma” (Yakobo 1:19). Omundu wobusolo omusacha niuria okhera obusolo. Nomudu orepanga nende khubusolo muzee adorerwe khulwa gama murembe nende bubureri. Sini weriye nende khusolona.

2. Owemerera bilayi inyumba yaye. Mzee ni musatcha mulai khandi omwivusi . emima kyiaye milai kiri nende ipicha indai khunyumba yae yoosi nobulai bwaye. Ilwibulo lwa omundu lumulola okhuhira omundu wundi. Khariono nibo nibo abanyala okhuinyia obulori bwaye bilayi. Mu 1 Timoti 3:5 ibola mbu omundu naramanyire okhurinda inyumba yayae bilayi anarinda arie obwami bwa Nasaye. Erikanisa nende eridala ni bindu bwiemere khu musing kwa omulookore. Emima kyia omundu kinyala okhumanyika muno nende eifamily yae. Nikari mbu amundu akhirirwe okhurinda eifamily yae yekesyia mbu khaba sanyala okhuba omwemeresi werikanisa. Koroneli yakanya Nasaye alala nende eyinyumba yae M. Abarumwa 10:2). Inyumba yae yamuryia yoosi yalonda omufwano kwaye mu khudakha okhulonda amalayi. Khuako mzee okhoyere yekesyie emima milayi ili anyale okhukhuesyia abandi banyale okhusida aambi okhunyola amakerako. Omukhosi wa Nasaye Eli yabebwa adabu khubera siyaruka olwibulo lwaye bilai (1 Samweli 3:13). Khuako abandu bakhoye beyekesyie bilayi mumadala kabwe khinikho beche mukanisa nibakhakwanirwa okhukhola mukanisa.

3. Ori nende baana basubira. Ino ichirisya ndakhu sienyekhana aka-

khulomalomekho akolwao. Abana bamuzee benya babe “abafunikha nama-ni kosi” (1 Timoti 3:4) babe paka basubiri sini mundu okhuyana” (Tito 1:6). Omwana wamuzee, many, anayala okhonya khusiririsia omba khuramusirisia, sefwe kha sienya abae omundu worachula bana khu lweririma lakini abakhusie khungira indayi nende khubekia khunasaye (Baefeso 6:4). Babawekesia siribwa ngama yakesia bana baye. Paka abaringale khungira ngama khungira yo khungamamira bana rrima nende khubanmgama khubukheri nende khubarlingala. Okhurika ngama baba khungama omusacha muruki ngama muzee. Nikari omusacha abana bari nemwiero nende ouma mima, vino yekesia mbu mwibusi Naramanyiri okhola bana baye barie. Khu-ko kasakwanira khuemerera rikanisa muzee paka abe nende bana basubire nende khuria nende bajilu.

4. Ave owikhale mukanisa. Mzee khaba siyakhaba omundu ochakira erikanisa. Imbosi novice yekesia omundu osiwuma ovujusi muno mukanisa. Imbosi mzee yenw yekesia omundu wanale mumyika khandi ori nende obuju-si. Omukristo`o olkokhe aambi khaba sanyala okhubukula esisala syia mzee. Omundu nga oyo anyala okhuekingula nende okhuba nende esireka yanya okhutemwa nende esikhieno (1 Timoti 3:6). Khab sari murekefu okhuba nende obwemeresi. Ata kario eindagano khaba siyekesia emika kyia omundu okhoye abe niakyio khunikho abe mzee omalakho mbu khunyala okhubukula emika mingi khumundu wundi. Omundu adakha emika nende okhukhola emirimo khunikho anyole obunjusi mumirimo kyiaye.

5. Okhuania maakhua karuo. Muzee paka abe nende rira rilayi khubarari balala khukanisa (1 Timoti 3:7). Emoma kiaye kibe milayi khuberwanyi. Abandu bakhola nabo nende becha banma muberesia milukha milayi. Yenya abe obulafu khubari musirima (Matayo 5:14). Agama obulafu khulolokha khubandu khulola emirimo milayi nende khukingila Nasaye (Matayo 5:16). Ata khubaria abarasubira bana ria khu bulau bwaye bulayi. Abarawonisibwa buri lwosi baringala mima kiefwe. Lakini nibabechu siribwa khu bawonisibwa, ilomaloma bilayi khu mundu wawonisibwa. Omundu ngoyo anyala khuba muzee. Anamanyikha khulukhia amanyikha. Inoyekesia ari nende muma milayi khunibo abararimo.

6. Omukhos wa Nasaye. Tito yibola mbu paka abe omundu oralawumibwa omukhoso wa Nasaye. Omukhos niwuraia onya okhurekhua mukhukalukhania sindi sienyekhana noomurindi webindu biomundu. Arinende kokhola mukhurinda imali yomundu wandika. Yenikhana omukhos khuba omwesikwa(1 Bakorinto 4:2). Muzee odakhua akalukhania omwoyo kwa mulalakhukanisa (Baiburania 13:17). Akoyere arindi ngama khuria oware-

bwe. Paka abe omundu mwesikwa nendne khunywa owenyekhana khusialo (Matayo 16:26). Emirimo kiaye nemikhongo. Khulwasio, mzee abe omusacha onya okhola emirimo kiamani. 5. Owesikero. Muzee nimundu ouma ririma omba mundu onyala khueruka (Tito 1:8). Omundu orinesiribwa. Sini mundu okonya khuba nende obungi obubira sikero. Eyimbosi ni makhua kombwandieri, werirama, nende khuyasia khuicha (M. Abarumwa 24:25). Ngama omwirukhi paka abenesikero sio khuekhunia khumbiro, niyelwa owonisibwe abe, lakini khunyola ikofia eyiranyasikha okhura eyichasikha (1 Bakorinto 9:25), paka khueruke efwe mibiri kiefwe ili nikhumala khuyarire bandi khandi khukore (1 Bakorinto 9:27), Omwoyo mulafu kukhuania sikero ngama ndala khu ritunda rio mwoyo mulafu (Bagalatia 5:23). Muzee ni mundu onyala okhunywa nende Nasaye khurinda ririma khhandi nii khuekomba khuaye nii Obulamu mbwaye ni bwo khuruka. Siyekanyira khukola. Nii mubukhongo sii ikanisa yenya esifwanani siesikero khu muzee

6. Oweema mberi khu mbosi. Tito 1:9 yekesyia mbu mzee akhoye yeme khumbosi yamekesyio ka Nasaye yerisubira ili anyale khu mbosi yobwadieri okhuekesyia khandi okhuserera balyia abedakhira. Kano koosi kari nende obulala khukhuba mwekesyia. Okhoye abe no bunyala bwokhuekesyia, abarali musubira banyole okhuicha musubira, ili anyole okhubakania. Yanii okhoye abe omunyi onyala okhuyingana nende ibosi yanasye alala nende omwoyo kwoo okhuekesyia. Kekesyia mbu mzee okhooye amanye okhuekyia mumbosi (2 Timoti 1:13). Akhoye abbe owema khumbosi bilayi ili aranyola khuyinisibwa khusubira. Akhoye yeme bilayi khadi abe oomwekesyia wokhuyikakidogo. Khuno nikhuo ookhuema kho mbosi ya Nasaye.

Ano khuba khumala okhueka khu okhukwanirwa khua bazee. Nee imbosи imaririkha khuyeka mu 1 Timoti 3:10 eyibola mbu bazee alala nende abasidotи bakhoye balingalwe mberi khunikho balabolwe. Nee khadi ebindu byia khuakhekakho bikhoye bilolwe mu buri mundu olobolwa. Erikanisa rikhoye rilole emima kino nikari mbu banyala okhuema mumbosi abandu bano boosi. Ino yekesyia mbu omundu okhula okhuba muzee ne sindu dibukula esikha singi. Esikha singi syienyikhana khubera erikanisa ryienya rimanye okhuyera khua abandu bano bilayi. Omundu khah siyakhakanyrwa okhuye nafwarire khisikha sidiidisa. Khuno nokhuekadia. Bakhoye bakesyie kano kosi khabdi aba ndi nibabaluchi. Khandi bakhoye babe abandu baa emima kyia. Okhuba mzee nebyiangu omalakho mbu nebyomu muno. Ebwyia khunya biri mukari wa amundu khaba sine erwanyi. Biumao ebisala bindi ebyiola khukhuenya khuna omalakho mbu byekesyia mbu sinoo ni esisala syiamakhulundu muno.

OKHUYERA KHUA ABASIDOTI NENDE

EMIRIMO KYIBWE

MALOBOLEMU

1. Obweyango bwabwe.
2. Emirimo kyiabwe.
3. Okhuyera khuabwe.

OBUBAKHA

1. Obweyango bwabwe. Omukhosi wundi murilakano riyaka ni omusidoti. Nikhuakhamala okhusoma okhuyera khua bazee, indagano yosi yibola ebyieenyikhana khu basidoti (1 Timoti 3:8-13). Olunyiriri lwe 10 lubola mbu “barekhe bekhonyere esisala syia dikons,” Dekons, khuko bari abakhosi mukanisa ryia nasaye. Mu Bafilipi 1:1 omurumwa Paulo yandika mubarwa yaye niyandikira abaloore mbu (omba balala khukaniisa mbu) ariah philiip alala nende bishops nende abasidoti.” Sino syiekesyia mbu dekons bbali nende obweyango bundi mukanisa alala (nende bishops) murikanisa lala khukhuruka.

Khurula mumeko kano khulola mbu esisala syia deconi syiosi ni silala khubisala bikhola emirimo mukanisa, nikhandi ni oomurimo kukabukhane nende kuryia okwa bazee.

Mu makhole ka Abarumwa 6:1-6 khuka okhulobola khua abandu aryia mu kanisa ryia Jerusalemu ili bamende okhurisia nende akhukhonya abaranyala. Emirimo kyiabwe kyiari “ekyia buri nyanga” khu barekhua nende balyia bosi (M. Akhole 6:1) Abarumwa benya omundu wundi “okhonya khummesa” (M. Akhole 6:2) munafasi yabwe. “Imbosi mbu okhukhonya” nende okhukhola yekesyia imbosi ndala yalugreeki ye imbosi dikon irulamu. Ino

irwekesyia mbu abandu saba abalabolwa mukanisa bari decons mukaniisa rino. Emirimo kyia abadikoni, khuako nikyiamakhulundu khandi kyienykha-na mukanisa ryia omwami.

2. Emirimo kyiabwe. Abasidoti khaba sibasibalangwa “Abaringali” beyikanisa. Bazee niye Baringali (1 Pita 5:1,2). Khaba sibaborerwa “khure-ka” atakario bazee bari nende khuruka bilayi (1 Timoti 5:17). Emirimo kia basidoti nee kiri bukhane nende bazee. Ochakira rikhua “basidoti” yekesia “okhukhorera” khunyola mbu basidoti nii “okhurera” eyikanisa. Emirimo kiabwe sinokhuringala lakini nookhukhonyera. Ngama basidoti bamberi badolwa khukhonyera abarumwa, khunyanga chiasayi basiditi banakhonyera bazee, abaringala khulwomwoyo rero. Emirim i kiambwe nookhukera erikan-isa bakhola nende khulama khuchie bilayi khandi okhurinda bindu bilayi. Esinyarikhana okhukhola maparo ka bazee okhula mirimo kiamakhulundu ekiri kia bazee okhola. Basiditi babiri abari bakhola obuyari ngama bayinji-lisiti (Sitivini nende Filipo). Lakini inisinabayobwadieri khubasidot i. Emirim i kia basidoti nii khukhonyera bazee beyikanisa ili khubakhola babe nende bu-sirokhumakhua kabandu banyala omalabene. Ngama biri mubwandiri nende bazee, awokhuri nende “Basidoti” omalakho “Omusidot i” muburi yikaniasa. Khuma Omusidot i okhira wondi. Bosi bari nende khuyikhia nende obukhos i bweyikanisa nende okhokhonyera bazee.

3. Okhuyera khuabwe. Abakhosi boosi mukanisa lyia kristo bakhoye babe nga omufwano, nga Yesu, omurwe, nomufwano mukhongo. Khuako omundu okhoye abe nende okhuyere nga omufwano mulai khunikho alobol-we nga Dikoni. Abandu Jerusalemu balabolwa khubera bari “ambandu bari nende omwoyo mulafu nende hekima” (M. Akabarumwa 6:3). Khandi bari nende “erisubira nende amani” (Makhole 6:5, 8). “Ifuma yabwe idayi” ryiari erira rilayi nende ifuma yindayi mukanisa nende erwanyi werikanisa. Okhuba nende omwoyo ulafu” khualolokhang a mubandu bano mubulamu bwabwe. “Hekima yabwe” yali mubikhole byiabwe ni khandi obukhalaki mumirimo kwabwe. Nende okhuba “nende “werisubira alala nende amani” bali abandu ba okhusikwa nende abagumu munasaye, mani khuako abandu ba amani nende abaseresi aberisubira rino rirera. 1 Timoti 3:8-13 yibechana okhuk-wanirwa khua abandubano, akhueka mbu dikoni akhoye abe “omugumu” ouma emibayo. Kha sak hoye abe omundu “wechinimi chibiri” omba ob-weni bubiri obola ebindu bikabukhane okhikhira imbosi yobwadieri. Araba ong’wa “amalwa mangi” arab a owokuriri, omwimani, omba omumesi omba okhera amapesa, bilomwalomwa khu bazee. “Odiririre ebyiama byie erisub-ira nende omwoyo mulafu” nokhuewunga nende obulamu alala nende ame-

kesyio ka injili akakanyira omundu okhuba nende amaparo malayi. Khuako abasidoti bakhoye “bapimwe” mberi nee baume “amabi” nga olwa babere bazee. Nga olwabari bazee bakhoye babee abasatcha baa “omukhasi mula-la” khandi obarukire abana babwe ebilayi alala nende eridala ryibwe bilayi. Abakhasi babwe bakhoye babe abajilila, khaba sinababeyi abamakesi malayi abesikwa mu bindu byosi.” Sino syiekesyia amakhulundu kaa omukhasi mwesikwa nga omukhasi wa Nasaye nga abakhasi baah Dikonis alala nende bazee.” Kha sibakhoyerera okhuba ababeyi, abaradeba, omalakho mbu bakhoye bakhole emirimo kyibwe mumakesi khandi no bwesikwa okhukhonya khandi nkhusayia abasatcha babwe. Nikari mbu nii mungira yino niyio eeyiomundu yekeseryiamo obwesikwa bwaye khu kanisa mani aba akwanirwa okhuba omwemeresi mukanisa. Erirebo rinyalariarebwa nikari mbu basidi-ti banyala balobolwa murikanisa riuma bazee. Erikalusyio ni “khaba” khu-bera akalondakho khano: (1) khuma omufwano mumandiko nga okwo! Ara-ri mbu bazee balobolwanga mberi (Makhole 14:23). Nee khandi abasidoti babalwangwa alala nende bazee (Bafilipo 1:1; 1 Timoti 3:1-13), omalakho mu Jerusalemu niyo akhuari nende abarumwa abakholanga nga bazee. (2) kho nikari mbu abasidoti nibo abakhonyeri ba bazee, khaba sibinyalikhna okhuba omukhonyi ewokhonya nasiumao. (3) Nikari mbu abasidoti balobol-we okhuma bazee,baba bananya khuemerera erikansia nee babukule ob-veyango bbwa bazee. Khumbosi chiakhualola echo khukhoye khube nende bazee mberi khunikho khulobole abasidot. Neer khandi bazee banyal okhu-khola emirimo nibaumao abasidot (Makhole 14:23).

| 2. Balala benyal. | 5. Buyinjilisiti bakhera. |
| 3. “Oringama” muzee. | 6. Khungira yosiyosi omalakho emifwano. |

OBUBAKHA

1. Owamberi mulalakhunibo. Khungira lola ngama ebisala bidolwangwa, nebilayi esimberi khulola chingira chindiechirenyekhana khudoreremo. Chono nechingira chia bandu khaba sini echia Nasaye. Bakalukhaniye nende khulagayia mipango kia Nasaye. Khungira ngeyo neyo khudola mulala khukanisa, bikhabindi khuyilanga “Esikanda siebiamma”omba mulala khukanisa. Omundu wagama omuyari niyamala khuepara okhubukala niye khuba muzee. Lakini sikhueka “esikandi siebikanda mundagano. Okhuba ngalamu mulala khumukhungano sikhumbukula owamakhulundu. Khuba mbu eyikhabi okhuba isekhemu khuchakira eyikanisa sinyala khukhola mundu khuba muzee ombe omusidoti.

2. Balala benyal. Muno muno abandu benyalu nibo abaloblwanga nga bazee. Omukhungano kunya okhupara mbu ohumukingula khunya-la okera yaaana muno. Banyala okula okhumuryia khulwo bonyala bbwaye bwo musyialo. Nee eindagano yilomaloma khumwyiandu kyio musyialo (1 Timoti 6:17). Muzee khaba sakhoe akhere emwandumba owokhueyenyeru (1 Timati 3:3). Omundu khaba sakhoe yekombe emirimo kyia mzee khulwo mwandumba kyiokhusyialo (1 Pita 5:2). Okhuba omwemeresi wo khusyioalo khuno khaba siyakhakhola omundu yaba mzee mukanisa, khubera khandi bikayiranga. Okhuba nende emyiandu kyio khsyialo khaba sibikera omundu yaba nemyiandu khunasaye (Luka 12:21). Abangi nabayinda omalakho mbu nabakara ababi, abamanani, abaofu, khandi nabakhaya mumwoyo (Bufunuli 3:17) khako emyiandu kyiokhusyialo khaba sikikhola omundu okhuba mezee ombe omusidoti.

3. “Okhola nga” muzee. Bandu bangi babalanga ababoye “Okhola ngama muzee.” Enoyekesia mbu bakhola ngama bazee nibarari nibo. Omu-omundu anyala khulanga muzee khubikha biungi niyekomba mbuadolwe. Lakini “Okhola ngama muzee”okhaya nende khulagayia emipango kia Nasaye. Khukhunya khua Nasaye ebisala bidilwe ngama abakwanirwa, lakini “Okhola ngama muzee”tema huba nende muzee weyikhabi khanidi owar-

ibwa orola khukwanirwa. Ningama khuekandia mbu wawonisibwa lakini khaba siwalonda malako kokhuba owawonisibwa. Omundu “niyelanga oringama owawonisibwa” atakario siyabiriramo, eyikanisa inakholas? bana-mukhaya ngama omwakadi. Atakario paka “oringama muzee” akhayue. Okhudola “oringama muzee” noo khumeda khu mbosi ya Nasaye (Bufunili 22:18). Nookhukayira eyimbisi yo Mwonia (Bagalatia 1:7, 8). No`obuchane bwobuyi bwokhukalukhania okhudola bazee nende basidoti.

4. Kisyasia. Ebikha bindi amakuwa ka syiasa kanyolanga okhwingira mubakhosi mukanisa. Ebikha bindi abakristo babeyangwa okhuchokanya amakuwa ka syiasa nende amakuwa ko mukanisa. Banyaala bachaka okhukenda nibakonya echikura nga abakhola syiasa. Amakanisa kandi kak-holanga kapani nikalobola abkhosi bako ambandu bandi bakhongwa khandi okhurikhirisya khubao ili balabolwe nga bazee. Erikanisa khaba sina abundu wa syiasa. Khabdi echingira chiekhonyerwanga okhulobola abemeresi musy-ialo haba sinichio echingira chiekhonyerwa okhuloboal abemeresi mukanisa. Omundu omarire khula okhuba mzee khaba sakhoye yekesyie okhuyera khua khubandu bandi dawe. Kha ssakwanirwa okhulomaloma mubandu niyekin-gula. Erikanisa riinalolasa emima kyie nee rrole nikari mbu ayera omba khaba. Nikhandi, kha sayingana nende abandu bandi. Khuako, abandu boosi abayerere bakhoye balabolwe nee owundi khaba sabola mu akhirirwe khu-bera owundi aloobolwe. Bazee khaba sibakhoye bakhubire ikura ni balabol-wa. Okhukonya ikura khaba sinobuchane bwa Nasaye khukhulobola bazee omba Dikoni.

5. Buyinjilisiti bakhera. Omuyari akhola alala nende eyikanisa mukhudola bazee anyala khutemwam bimani khudola osatcha owayakhera. Omusatcha wono okhererebayeri. Omuyari uno anakhupare mbu alipekho omundu uno khulwo bukheri bwakhore khuniye. Mwinjilisiti anyakhukhera khudola onanyala “Omukanda kwabandu” nganiye adakha erikanisa richie. Anyala khukanya khudola muzee nikari muzee anakhola ngama omuyari yenya. Mukano mwinjilisiti anatemwa khumilukha kino. Mikhukhola kano anabaarula khukhuunya khua Nasaye (M. Abarumwa 10:34). Omuyari be-changa omurie womundu. Nooweyimbi niyekesia khulorerera. Mwinjilisiti owalorere khaba sanyala khuririraomundu khuba khusisala sieyikanisa.

6. Khungira yosiyosi omalakho emifwano. Obwadieri erieko rino kha-ba sirinyala okhubala echingira chiosi ehimbi chiabandu bekhonyeraanga okhulobola bazee. Okhumalakho mbu inyalile okhuruekia mbu igira yosi yosi eyirari ingira ya nasaye abolele neimbi. Eimera yosoi yosi yokhulobola bazee eyiremere khu khu khuererera khuabwe khaba kha sino khuenya khua man-

| 1. Okhuekyia khulai. | 4. Okhukonya abandu erywanyi. |
| 2. Okhuenya khulayi. | 5. Okhulobola ombo okhunyola. |
| 3. Okhukhakikisha khulai. | 6. Okhuetambuwa ne rikanisa. |

OBUBAKAH

1. Okhuekyia khulai. Obulokore n erisubira ryiokhuekesibwa (Yokhana 6:45). Abasubiri bekesibwa khunikho banyole okhubatisibwa nee khandi bekesibwa nibakhamala okhubatisibwa (Matayo 28:19, 20). Okhunya khandi obulobosi bwa bazee bukhoye bubukule esikha sirambi syiokhukesibwa noburinggaliifu. Omwoyo mulafu kukhola abandu okhuba abargin-gali (M. Akabarumwa 20:28). Ingira ya omwoyo mulafu kukholelamu abandu okhuba bazee ni imera ya amandiko eiri mbu nee rikhande ryia omyoyo mulafu (Baefeso 6:17). Omyoyo mulafu yabola amandiko nee niko akhokhola abandu okhuba bazee mu rikanisa. Omalakho mbu ingira yino yikhola nikari mbu indagano nga yekesyia. Khuako kanyalikhana, mbu amandiko ka nasaye abolele mu ndagano kakhye kekesibwe mu buri mukhungano. Ame-

kesyio ka obuchanee bwo mumandikoo obwa makanisa kaa omwonia kak-hoye kekwe nee keleweke. Muri mundu okhoye amanye obweyango khandi nende omurimo kwaa buri mukhosi mukanisa. Amwkesyio mangi, amekesyio mubwekisinende amayalo kakhoye kekesibwe mu buri rikanisa khunikho abandu bamanye obwami bwa amakanisa. Nikhuuma amakesyio kayera khaaba sikhakhetira bulayi nobuchane bukhoyerwa. Okhuekesyia amandiko nokhuchaka okhuekesyia khua abuchane bwa obwammi. Okhumanya khulai nikwo omusingi mukhongo abandu wa obuchane bwa amandiko. Kho Omwoyo mulafu kutchaka okhukhola abandu okhuba bazee nokhuekesyia.

2. Okhuekyia khulai. Eyngasi yo khubiri nokhuekuania khubariabosi ababara. Nebilayi mbu Nasaye niekhola khubarria abawonisinsibwa mukhunya nende okhukhola biyosi bilayi (Bafilipi 2:13). Mulakhu khunibo nabra makhua ka Nasaye banakhola ngolwa khuenya khuaye. Okhuchaka khua khurira khua bazee yibola, “nikari mbu omusacha yekomba emirimo kio busidoti, yekomba emiirimo milayi” (1 Timoti 3:1). Omusacha yeka emilukha kio mwonisibwe ojing’ire atema khukosereria. Akhuania okhuenya khuamani khuba omwawonisibwa wanani, onyala khukhonya bandi khulonda Omwonia. Khungira yino omwoyo mulafu kugama biamo bio mwoyo emilukha kio owawonisibwa (Bagalatia 5:22, 23). Omwoyo mulafu siniekaugamangama okhuekomba khuba muzee. Omukhieni yosi abechananga okhukomba, lakin i khuma chobo kandi. Esikhienio sigama khukingula khukingula khue-biklhaya omba ata khumapesa akimundu aringala mukhuruka. Atakhario, si buri khuekomba khunyalu kuba khuba muzee nikhuekomba khulayi. lakin omundu yenya esisala siokhuba Omwonia khumilukha, khulwa badakha siamo sio mwoyo, Omwoyo Mulafu khubekesia khuba bazee. Okhuekomba khuno nokhulayi neyingasi khuba muzee.

3. Okhukhakikisha khulai. Abakhosi booh mukanisa bakhoye bakhakisibwe bilayi (1 Timoti 3:10). Ino niyo ingira yakhudaru eya omwoyo mulafu kukhrerangamu abandu okhuba bazee. Okhumanya khua omundu nende okhuekomba khukera yejera okhuba omundu yakhula mubulokore mani yangala mubulokore. Okhuangala khue nende okhumanya okhulolwa nende abandu basyie. Omundu niyeringala khumima kyiaye alala nende okhukhula khua amekesyio kaye, okhukhula khuae khulolokha khuboosi (1 Timoti 4:15). Nga olwabilomalomwekho inyuma`ao, okhuedusyia khuno khubukula ebikha. Okhuangala khua omwoyo khaba sikhichanag mulwangu. Emika kyia okhueka, okhusaya nende okhukhula khuenyikhana. Okhumanya khungi khuenyikhana khuoyere nga omwemeresi nende nga mwalimu. Khumika kino nikisichiririra omundu okhoye yejekesyie omwene, mbu arii okhukhula

khua abandu boosii balola. Mwebyio ambandu bandi banalola nga omundu okhula khandi nga asenda okhukhola-kho okhuyera khua omwemeresi khu-khula kaala kaala nga abandu balola. Endio nikhuo okhulola okhukwanirwa khua omwemeresi.

4. Okhukonya abandu erywanyi. Abrumwa bari Jerusalemuu bayinia rilako khukanisa “khuringala” balakhu basatcha badolamo basidoti bamberi (M. Abarumwa 6:3) ino niye eyingasi eyri Omwoyo mulafu kwakhola Batee. Basatcha borere badolwa nende eyikanisa ili baringalwe mukhudolwa. Manya mbu okhubiri khukhupimwa khuno eyikanisa yabukula. Eyikanisa yosi, banda yokhuekesibwa muburambi nikhukonya balalakhuniyo khuba-satcha bangale aborere khubakhubisala. Khungira ino balalakhubibo bene, okhira omundu khuba akulu wabwe, okhudola ebisala bene (M. Abarumwa 6:5). Badola woria owabalola anyala khuweyinia akariwabw. Badola woria owabakherere owabalola mbu banamulonda. Bakurikha woria obarioyera khulonda khungira khubangama Omwami. Inoneyingsai indayi. Omwoyo Mulafu kwekesia eyingira maparo khu mandiko khu mwiyo kia balala khukanisa. Okhudola khuabwe ni makhua ko Mwoyo kwa Nasaye. Bario londanga makesi kanasayeakanyorerekhana khukhua ria Nasaye (Bakolosayi 1:9). Basaya Nasaye ababeresie amakesi (Yakobo 1:5). Khukhusaya basaba Nasaye khuobaruka okhudolwa khu sisasyiaye (M. Abarumwa 1:24). Khuma bichengwa akekesia khudola, lakini Omwoyo Mulafu atakario abe orwekesyia khu mbosiya Nasaye. Amera babandu bakonyrwe khuako basoma khandi kandikirwe khumukhungano. Eyikanisa yosi ilola khandi imanya baria abadorerwe. Inoniyekesia “Okhuringala” Bandu.

5. Okhulobola ombo okhunyola. Eyindagano yibola mbu buri mzee okhoye abe “omulobolwe khumalako” (Tito 1:5; M. Akabarumwa 14:23). R.V yibola mbu yiloobole.

Imbosi yino yiekesyia mbu okhubula, ombo okhudola. Amakhulundu kaa imbosi okhudola yimarire okhunyasibwa nende abandu ba emyiukhano. Khunibo baboola mbu okhuberesyia omundu oburekhule bwo khulanga omwemeresi wa “cleargy.” Omalakho mbu eindagano khaba siyilomalomakho khumbosi mbu “cleargy”. Ombo obulekhule bwa cleargy.” Okhudola mumikhungano kyia erilakono riyakha ryiari, okhudola abemeresi ba abandu bamarire okhulobola. Byiakhola nende bainjilisti (Tito 1:5). Khubera yarii omulomalomi werkanisa nabaralnyola mzee. Omalaho obulobosi khaba sibwali obwa obwabayaari. Obulobosi khaba sibwakholwanga ninabo. Khaba khuno si ikhuo okhuekesyia okhudola. Abayinjilisti banyalaokhubola esindusyia abandu mubwichufu bamarire okhulobola tayari alaa nende erikanisa

ryiosi mukhulobola omwemeresi. Nibakhamala okhunyola abandu bayera, khario ebikha bibebeba erikanisa riringare okkwanirwe nee orakwaanirwe akari wa abandu bano. Yiumao ingira yosiyosi eyokhukhola okhulobola abandu bano arari okhubaringala nikari mbu bakwanirwea khuema khu bulafu bwa amandiko khunikho bakanye omba bakhaye. Mani oburingali buno bwenya bubukule echinyanga khunikho bamale baamue. OBUBAKHA

Nikhuakhamala okhueka okhuyera khua bazee. Khario khueka emirimo kyiabwe. Ano khunekera khu sifune syiabwe nikhuulola emirimo kyiabwe. Nikhumanya okhuenya khuabwe, khukhoye khulole ni sina esia bazee bakhoye babe.

1. Khuba amakondi khulolelakho. Atakario khumalile okhueka mbu bazee bakhoye babe emifwano, obwadieri buno bukhoye bulingalwe muno. Siumao esyiamakhulundu mumirimo kyia mzee arari okhuba omufwno. Okhukwanirwa khuaye khuosi khuemera khu khumusingi kwaye. Sino nisyio esikera bazee nibari nende esifune 1 Pita 5:3. “nende okhuba abakhongo khu myiandu kyia Nasaye, khandi okhuba esyiokhulolelakho syia makondi.” Omwemeresi wekingula okhukhira abandu baruka khaba sakholu okhuenya khua Nasaye. Abami banyala okhuyika okhuenya khuabwe khubabaruka, nee okhuruka khue imera yino khaba siyrera okhueenya kua Nasaye khu bakristo. Obuchane bwa Nasaye khubwemeresi nende okhulonda nibwo obuchane bulayi khandi obuyera. Khaba sibwemere khukhuyika omalakho khubukheri. Khaba sibwemere khu mani kalolokha amalakho khu emifwano. Imera ya Naseye yoh khumerera ni yiryia yokhuloonda abemeresi. Khu-ako bazee bakhoye beringale khunikho amakondi (Makhole 20:28). Bakhoye bekesyie erikanisa ingira indayi yokhulonda eyinakera balamii basangarire okhulonda. Khario bazee khaba sibakhoye babe abami mukanisa, amalokha mbu esilorero khubandi.

2. Khurisyia amakondi. Emirimo kindi kia “bazee nikhuriasia makondi aklari akari wefwe” (1 Pita 5:2). Emorimo mokhongo kia bazee nikhuriasia omba khuekia eyi Eyikanisa. Erikhua ria Nasaye nebiakhuria khubawonisibwa, yicho khubakhusia mumwoyo (M. Abarumwa 20:32). Aba lokokhe ambi benya ma-

bere ili bakhule (1 Pita 2:2). Abandi benya eyinyama eriri rikhua rio bwadieri (Baeburania 5:12-14). Bazee paka banyale khurisia badoro mubulokore nende bangafu mubulokore. Banekesia mandiko bene, paka “bikha khukhuekia”(1 Timoti 3:2). Lakini bosi baburire mekesio kabalimu babwe mukhubajingia nende khuyinisiria nende khubakhonya mekesio. Nebiamakhulindu khumirimo kienya kiokhole khukhuyinia bikhuria biomwoyo khukanisa, mumangi muno kamakhulundu khubechana bikhuria khulwibulo, nikari kanao kanek-hola bilayi eyikanisa inakhula mumwoyo, lakini baze nibakhirwa, eyikanisa in-ajonga khandi inafwa. Okhula khuomumwoyo khusi nebiakhuria khumiyo kia-bawonisibwa. Bazee nibarayinia buyinda nende okhukhuania khulama, balala khukanisa banalwala nende khukona kumumwoyo (1 Bakorinto 11:30). Nas-aye, khulwesio, adakha bazee khurisia makondi kanasaye mukhuyinia bikhuria biomwoyo ebikhuanisibwe khulwe miyikiabwe.

3. Khuayia amakondi. Nikhumedako khukhuayia bazee bahoye bayie amakondi. Bakhoye beringale (Makhole 20:28). Erikhua ryiolugiriki yoh “khurisyia yekeesya khuayia amakondi” okuyia amakondi khuakesyia okhu-karinda. Abayi bamanyire oburema bwa buri mundu khandi nende amani kaye. Omwesiro omwayi akayirira amakondi khandi musidere okongosyia mungra yindayi. Nee mulala nakora bakhoye bamukonye. Khandi mulalal nanyaarikha bakhoye bambakhe amafura khandi bamuringale okhula nga akalukha mu mbera yobukosyia. Kario omwayi okhoye aringale amakondi kaye; khaba sakerukhirakho amalakho mbu achia mumoni wako. Avaa imberi nakekesyia ingira indayi yokhulonda. Kamanya olulango lwaye kh-handi kamuryia khubera akalobolelanga esinulu. Mumera ndala eyo niy nga bazee bahoyebemerere buri mundu mumakanisa kah Nasaye. Bakhoye bakayiirire bemerere khandi basumire amakondi. Bakhoyebakonye erikondi rikora, khandi nede riryia eriri nobudekhene. Abemeresi bakhoye babe mumoni mwerikansa okhuekesyia ingira yakhulonda okhukhira eyinyuma wako. Bakhoye bemerere mumera iryia yerikanisa yinalonda nobusangafu. Nibamanyile mbu niingira yabwe yindayi okhukhola endio. Kharo nokhuso-ma Echinyembo 23 khueka mbu nga olwo Nasaye yemereranga amakondi kaye, khandi olwayekomba abemeresi boosi okhukhola endio mukhurisyia amakondi. Kario bazee boosi bari nende esifunee syiokhuemerera amakondi kaa Nasaye.

4. Khuba baringali. 1 Pita 5:2 yibola mbu bazee, “risia makondi kanas-aye akari ari wengwe, karingale mani, snimukhuyikwa, lakini mukhunya; sini khulwerikhue, lakini nikhumaparo karitiyari.” Bazee barisaywa khuringala nendekhulola khumirimo kiamakhulundu nende mwoyo kwenyekha. Erira

“basidoti” nende “okhuringala” lola bazee barinende khuringala eykanisa. Baringala esienyekhania mukanisa. Nookhukhola emirimo. Okhuringala nii “khlolə okhura” omba okhuringala khumiyo okhuenya khuyikanisa. Omwoyo mulafu kwakhola bazee “okhuringala okhira”eyikanisa (M. Abarumwa 20:28). Okhuringala paka khube murayikwa, lakini khueyinia. Esio niye ,sia bazee badolemo mukhuringala, okhira khuyikwa khumirimo kiabeyinia bene. Okhuringalakhunaba khuba khuyikwa omba khuyikwa nende abamurikho, lakini eyibongosia khukhunya khuabwe. Omkhunya khuabazee sii khunya khube khulwamatongolo omba khulwobukhungo, lakini khube nende amaparo karitayari khuria Nasaye. Oburingalai khumukanda khuri nende emirimo, lakini baringali beyikanisa bari nende mirimo kiamani. Omwayi mukhingo anabandemberesia khuba bilayi khua bwe nende mirimo kia makondi. Barinde khuririsia emirimo kiambwe nende buringali bulayi nende paka akholemuu mwoyo nende khukhuania khulayi. Enoniye khuringala eyikanisa.

5. Khuruka bilai. Nee mirimo kyia bazee okhuemeera omukhungano bilai (1 Timoti 5:17). Olunyiriri luno luekyia mbu balia abakhola nga “balia abakhola mumbosi nende mumekesyio.” Mukhuema nga mzee okhukwanirwa khe khari indabgano ibola mbu, nikari mbu omundu kha sam anyire okhuruka inyumbayae bilayi anaruka arie erikanisa ria Nasaye (1 Timoti 3:5). Khario bilolokhe mbu okuemerera erikanisa byienya okhuima okhurrisyia khandi omukhungano nga omwibusi yeyimanga okhurinda olwibulo lwae. Okuemerere khaba sikhuekesyia okhufuna omundu khulwe rikanisa (1 Pita 5:3). Omalakho mbu khuekesyia okkhueyinia khulwo malayi kerikansia, khandi okhuemerera erikhulakhulana eryiomwuyo kwa burii mundu mukanisa. Abandu bandibamayile evivi abundu wo khuemerera. Bapara mbu omwemeresi okhoye yekholee nga omwami oweingula okulu wa abandu bandi. Buno ha sini obwaderi khu bazee baruka erikanisa bilayi. Eindagano ibola mbu bakhoye bemerere, esyiekesyia mbu yibola mbu sibakhoye badembulilee khu mbosi chidira khukanisa. Bakhoye baringarire, mni okhura demburira amakuwa kamakhulundu akabemerere. Bari nede emirimo kyia makhulundu ekirenja okhukachtula dawe. Nee baryia aboseresyia emirimo kino, bakwanirwa “okhubebwa esiribwa khabiri” khubera emirimo kino nee ekyiamani khandi emisiro (1 Timoti 5:17). Khuako bazee bakhoye veemerere endio vilayi murikanisa ryia Nasaye.

6. Okhuringala obweyango bwe myioyo. Bazee babebwe siribwa nende khuribwa khubarria barinabo “khulwa babaruka khandi babaringala mwiyo kiengwe, khulwa niyebayiniye isabu, ilibakhole nende busangafu, sninobunyorefu: khulwesio siuma ingangakhuefwe”(Baeyeburania 13:17). Abundu abi

munoni khulwa bazee babaringala khulwa babechae isabu yo mwoyo kwa buri mulakhukanisa. Baringama abarindi muyisrayeli bari bakinge machaye kabandu mumikhokiabwe nikari mbu sibaringare nende bakayirira omuuku (Ezekieli 3:17-21). Esinaba sisangasia nisi nikarimbu onabechana isabu yemiyo ekirekha khuwewe? Sini bazee bong'one baringala, lakini khubecha isabu ya balala khukanisa abayarungalanga. Eyingaya yokhuringala eyo ilangwa okhurakhonsinani(1 Pita 5:8). Yenya okhuringala obura konera khuburi mulala khukanisa atanamasika (M. Abarumwa 20:31). Muzee adakhua aringale mwiyo nende khuechana isabu khu Nasaye.

ERIEKO RYIA 32

INGIRA YOKHUKHOLA OMUKHUNG'ANO KWA BIASHARA OBUBAKHA

Erieko ria khurikho rino ririmo okueka khua “OBURUKI BWO MUMANDIKO OBWA MAKANISA KA OMWONIA”. Nee nikhurekala awoh, khunaringala ingeri ya emikhungano kyia biashara kinabechangwa. Omukhungano nga okwo kunyala okhkhola mu ngira chinyingi muno tchindayi. Amaparo kano nii emirwe saah ekikhoye kichulsibwe ebikha bya khukhola emikhungano kino.

(1) Ebindu byiosi byiekhoole nende obuchane ne sironyo (1 Bakori 14:40). Endio byienya okhuepanga khulai. Okhuedusia khulai khuenyikhana inyuma wa omukhungano. Oluvaso luno lwenya obuchane bulai khai nende emima milayi. Omundu mulala okhoye alomalome nee abadongere bakhoye baurire nee khandi nesiribwa sikari muno.

(2) Buri mundu akhoye abechane esiribwa nikhandi okhuryia owasyie, buri mundu nabukula owasyie akulu waye (Filipo 2:3). Endio khunekaye nende obusoolo, emirwe myiomu, alala nende okhuraurirana. Buri mundu yekomba okhubechana amaparo kaye, omba nga yekombere okhurera okhukhorera alala.

(3) Omundu khaba arekomba okhuba nende obukhongo (3 Yohanna 9). Awumao omundu okhoye yekombe okhueyeenyera. Murekhe okhuesunga, obwimani nende okhuekingula. Mwosi mukhoye mwefwale obunyifu, khubera Nasaye okhaya abokhuekingula nee mani aberesyia esisa khu balyia abanyifu (1 Pita 5:5).

(4) Murekhe buri mundu yekombe okhukholela owasyie khandi nende erikanisa. Khubera nasaye yabola mbu omundu mukhongo mubwami bwaye noo ukhos (Matayo 20:27). Yarwekesyia kano kaasi nga olwayoka abeka bae amakulu (Yohanna 13:12-15). Buri mundu okhoye yengire mu mukhhungano kwa byiashara nende obwekombi bwa okhuba omukhos. Buri mundu okhoye akhole omurimo kukhonya erikanisa.

(5) Mwikule khandi mwikale buri mukhungano namasabo. Nee khubikha nga ebyio byio khumua niwo amakesi ka Nasaye kenyikhana. Nee yalaka makasi khubarria abasaba (Yakobo 1:5). Okhusaya sikhunya khue khuo-khuechoka nende khulondialondiamo. Paka kabe kobulonga nende malayi kasangasia Nasayekhulwo bokhonyi (Yakobo 5:16).

(6) Rekha buri muzeeomba buri musatcha (nikhuma muzee) bukula ngama mwemeresi. Ino ikayira omundu khue bukula ngama wesisala. Eberesia buri mundu obunyali bwo khuongosya esikhalo. Ikayira mwiero nende imbarikha. Noo bujutsi bulayi nokhueka khulayi omusatcha khuekhonyera khueurira nende khusimirisia okhola omukhungano mulayi. Emirimo sinemiangu. Owesisala, khubole, auma obunyala mukhumua okhira bandi. Nemirimo kyiaye okhuyinia obunyala musikhalo.

(7) Bandi banandika makhulundu muburi sikhalo. Emirimo kino kikholwa asi wamalako. Omundo ngoyo awoma obunyala omba omulayi okhira abandi. Yandi siria siomukhung'ano kuborere yandike. Khaba sino mukhisi omba esisala.

(8) Buri mubumaririkhi bwesikhalo paka asome akayandikire khandi kakanywe nende buri mundu. Khandi mukhucha khua buri mukhung'ano omurwe paka kusomwe. Buri mandike paka kabikhue khulwo bunyasi khulwa marebo omba okhukhenga okhola. Amandike kaburi sikhalo karabamarambi khndi kokhujing'ia. Vanende obuchane bulayi khumukhungano, orakanya "omukhung'no." okhureyia omukhunga'no okumamo makhulundu kunyala okhufwa imberiyo.

(9) Buri isauti yomundu irirkane mumukhung'ano. Orabukulu omundu mulala omba badidikhu bikha. Buri mundu akanyirwa khuelomalomakho.

(10) Omukhung'no paka kube kwo khulomalomera akechayo sini chida chia bira. Mukhung'ano paka khube okuruba mani sini kwo khurufwirisia. Omukhung'ano kwenya bube namakhulundu nende okhusania. Bana khola bario nikari mbu milukha kibwe kiri bilayi. Okhuenya khuabwe nii okera buri mulalal khunibo nimbu buri "lwosi khuba khumirimo kyo Mwami" (1 Bakorinto 15:58).

(11) Khuraba nende okhuba chikura. Omalakho obubakha baka bu-chiririre paka bosibila khu "Makesi malala khandi okhukhenga musango khalala" (1 Bakorinto 1:10) niabarola khukhuririsania, bayirisie makhua kandi paka mumukhungano kwichayo ili khukanyira basiabwe khuba khumabaro malala (M. Abarumwa 4:32). Okhurirsania khunyala khulanikari bu bandungo bandakha "ngama-bamabaro , abari nende bukheri, khuba alala, abamaparo malala"(Baflipi 2:2). Okhusolanakhuri khubasiefwe khukera ba-

suku khuruchekha bene (Chinyembo 80:6). Khulwa abawonisibwa nibasini balala, banyala okhura obwawokhani khandi bawoma okhusolana (Okhuchaka 13:8). Ili banyoleokhuchtchira alala mukhuelewana (Amosi 3:3). Eyinyumba yaukhane khaba siyinala okhuema (Matayo 12:25). Nasaye khaba sikhana naga nende abandu baraka obwakhuni (Chingado 6:16,19). Nee mubandu boosi abakristo, balyia abbamuri mulala okwa kristo, bakhoye khandi bakwanirwa okhukholela alala (1 Bakori 12:12, 25).

(12) Wekombe okuberesya buri mundu omurimo kwa anyala yakhola khumirimo kyia Nasaye. Ata kario emirimo kinalya kyiaba emididi, nemilayi khulwa ikuhulakhulana yamwoyo khumukristo nga oyo.

(13) Esifune sikhongo syiaburi mukhungano sibe okhuimbakha inyumba yamyoyo eya Nasaye, ikanisa. Obandu khaba barakhola amaparo kabwe okhudonga khunyumba yilolokha (esimbake syie ikanisa) omba esindu syiosi syiosi nga esyio. Buri maparo omba sikhole sikhoye sibe khu khulakhulaana ya omubiri kwa Omwami kwa Nasaye ikansia. Obuchane bwa emyiukhano bonyala okhumbakah esimbakhe sikari muno, omalakho mbu obuchane bwa nasaye bukhoye bwimbakhe inyumba ya omwoyo. Khunikho inyumba yah omwoyo ikhoye imbbakhue mu bbweyango bukwanirwa.

(14) Esifune syia buri mukhungano sikhoye sibe okhupanga nga emirimo kinekhola nee okhukhola nga emipango kyifwana. Erikanisa riosi errepanga okhukhula rikhoye rimanye mbu rinakwa.

OKHUMARIRITSYA

Mukhumaririsia okhulomalomakhuno khu buchane bweyikanisa. Mangi, khulwesio, khunyala oba namachubo. Eyindagano yechula khano yabwa khuburi okhunya khua Nasaye lakini okhueka khuno khukerere omusome okhuenya khuchiririra nende khueka khukaria keyi ndagano yekiakho khumirwe kiamakhulundu. Khupara, khu khumekesio kagamire khuri mulala khukomba khufunyia Erilakano Riyiakha. Sino sinala khuekhorekha nikari mbu khulonda emopango syosi kio Mwonia nikari mbu kweli omwonia no Mwami waburi sindu. Eyikanisa yo mwami sinala khuyi funyia omalakho nikhufunyia obuchane bwa mandiko kafunysibwe. Lakoni nikhunyala khufunyia obwami nende oburuki obwe Rilakano Riyiakha eyikanisa yichikhyinsibwa rero ino inacha are mukhugama eyikanisa yobwadyeri khunyanga chasayi. Eyikanisa ringama simbakhe silayi esimbakhue khu sifwanani sia mberi. Yesu yembakha yikanisa yaye ngama yalaka (Matayo 16:18). Lakini bekesia bobubeyi banyasya ikanisa khungira chinyingi (M. Abarumwa 20:28-30). Khario efwe ribero khukhoyere khubukule esifwanani esio (Erilakano

Riyiakha) nende khulonda buri engira khandi khukalutsia esimbakhe siry- ia syiomwoyo. Nikari mbu khulonda Indagano, Nasaye nomwandiki khandi mwimbakhi. Lakini okhunya khua bandu chiribwa echikanisa chia bandu chinabao. Indagano ikhaya: “omalakho Omwami yembekha inyumba, bak- hola bikhaya abayimbakha” (Chinyembo 127:1). Lakini efwe abawonisibwa, amakina kobulamu, khumbakhe eyinymba yo mwoyo, okhuana omusango kwomoyo, okukanyirwa khu Nasaye khu Yesu Mwonia (1 Pita 2:5).
